60 BLACK, BLUE

DESCRIPTION

Thermo-insulated safety ankle shoes with a steel toe cap, which protects against compression with a force of up to 15 kN or the fall of a load weighing up to 20 kg from a height of 1 m. The antistatic robust outsole made of two-density polyurethane guarantees not only comfort but also safety thanks to the anti-slip properties of the sole, which is also resistant to oils and abrasion. The upper of the shoe is made of natural split leather and the inner lining of synthetic warm fur, which guarantees pleasant warmth during outdoor work in winter season. This model belongs to the RAVEN XT footwear collection, which offers up to 22 models of safety and work footwear in all standards (S1-S3, O1, O2) and all possible designs: from sandals to low, ankle shoes ankle, high ankle shoes and rigger boots. Thanks to this wide range of the RAVEN XT collection, it can satisfy the requirements of all customers, also thanks to the excellent price / quality ratio of quality.
