DESCRIPTION

Do you look for occupational shoes for unique personalities? Let's meet the HOMBEE model, which ideally combines an unusual design and optimal wearing comfort. Behind the farmer's desired look, you can find a rich selection of functions: oil-resistant and at the same time extremely light outsole, a leather upper with a modern vintage finish and a zipper on the inside part for even easier putting on and taking off shoes. The padded back and tongue provide not only practical foot protection, but together with comfort insole also a pleasant wearing feeling. Thanks to the modern materials used to make this model, the total weight of the shoes does not exceed 570 g (half-pair size 42). Hard work in the field is not for everyone. But thanks to this model, you can handle it safer and more comfortably. Plus, you'll be looking great!
