SIZE

One size

Product Features and Benefits

TPE Multi-block over-moulding protection pad with 7 independent pads

Limits the "helmet" effect by reducing contact with the skull and improves airflow

Triangles form small closed cells that allow the heat to not stay in contact with the skull

More comfort when carrying

Over-moulding of the TPE foam on the PP shell

Increased longevity : Zero risk of detachment on wear
Washable

Perforated area under the mesh fabric forming air entrances and outlets allow the heat not to stay in contact with the skull

Reduction of perspiration

Retro-reflective tapes

To be better seen at your workstation

Visor 5 cm

Guaranteed visual comfort

Matched to the MACH 5 clothing range

Total look

Adjustable buckle with Velcro strap closure

Easy adjustment with a simple push

Universal fit

One size for all

A new generation protection cap: The protective shell and the absorbent foam are one!
