SOLE

City is a unique styled shoe, perfect for people who look for a safety shoe to use in a lot of different situations, free time included. Giasco developed for this product a special gel insert in the heel zone, called G-GEL, useful to reduce the impact stress et to release energy during walking. This sole has been studied with a special attention to the design of uppers and sole and to the technology of hidden outsole.

PLUS

MICROWASH

MICRO WASH is a Chrome free material finished with perspiring polyurethanes. Very light and perspiring, it is suitable for alimentary et hospital sectors. It is also studied for people wearing the shoes for a lot of hours on wet surfaces. It resists to acids, mostly oleic acid. It is washable with water and neutral soap at 40°.
